THE CORAL PRINCESS

With 90% of her staterooms offering spectacular ocean views, most with balconies opening onto the majestic scenery, Coral Princess was made for the wonders of the Panama Canal. You'll love getting active in the fitness center or browsing the world-class art collection, then unwinding with some shopping in the boutiques or a massage in the Lotus Spa. Dining choices include specialty restaurants as well as the included Traditional Dining. After dinner, head to the themed Casino or take in a show in the Princess Theater or the dazzling Universe Lounge...it all awaits you on the CORAL Princess!

Panama Canal - Traverse with Princess through the epic waterway that shaped the course of history by linking the world's two mightiest oceans an engineering feat that, even 100 years later, remains so breathtaking and monumental. A dream more than 400 years in the making, the Panama Canal opened in 1914 and this epic man-made marvel changed the world in the process. There's no better way to discover this colossal wonder than on a Panama Canal cruise. Sail between two mighty oceans. Expert narration will enlighten you as your ship passes through the locks, and you'll dine on authentic Panamanian cuisine. Ashore there is everything from Costa Rican rainforests to Old World cities like Cartagena that recall the Age of Exploration. Don't miss your chance to cruise the Panama Canal!
