In 1967, Princess became the first cruise line to take guests through the Panama canal, transiting the world's greatest shortcut. The Panama Canal took a full 10 years to complete, opening in 1914 with upwards of 50,000 workers at a time carving through thick jungle and granite. It took 4.5 million cubic yards of concrete to make the locks and dams of the canal, and more than 60 million pounds of dynamite to excavate and construct it. A major expansion completed in 2016 added the new Agua Clara Locks on the Atlantic coast, which can now accommodate larger ships to transit the canal. Don't miss your chance to cruise the Panama Canal!

Princess is the number one cruise line sailing to this bucket list destination, and as awe-inspiring as it is to travel through one of *Condé Nast Traveler's* 7 Cruise Wonders of the World, we'll help you explore equally fascinating places along the way. So stretch out on a Caribbean beach, admire the pristine rainforests, stroll the cobbled streets of colonial towns and journey through the fabled Panama Canal with Princess. ®
